DIANOCHE

5 MM MAGNETIC TRACK SYSTEM

SUPERSLIM 2026

www.dianoche.it

ITALIAN DESIGN · TECHNICAL LIGHTING

One line, every light.

Superslim is a 5 mm magnetic track system at 48 V: spots, linear modules, pendants and decorative heads that click onto the track anywhere, and move whenever the space changes.

Every luminaire carries a CRI 97 source in 2700, 3000, 4000 or 5000 K and connects to the controls of the building — Casambi, Tuya, DALI or 0–10 V — while the track itself almost disappears into the ceiling or wall.

97	48 V	5 mm	3 yrs
CRI	SAFETY VOLTAGE	TRACK	WARRANTY

THE SYSTEM

A complete family of light on a single magnetic line.
