ABRAHM 3040

Projector for 230VAC track

IP20 made in Italy

design Lapo Grassellini

A range of track projectors in which compact dimensions and distinctive shapes combine to create highly characterful luminaires with outstanding optical performance.

Una gamma di proiettori a binario nei quali dimensione e forma si combinano in oggetti caratterizzanti, estremamente contenuti nelle dimensioni e di altissime prestazioni ottiche.

Une gamme de projecteurs sur rail où dimensions compactes et formes distinctives se combinent pour créer des luminaires de caractère aux performances optiques très élevées.

Eine Serie von Stromschienenstrahlern, bei denen kompakte Abmessungen und charakteristische Formen zu ausdrucksstarken Leuchten mit äußerst hoher optischer Leistung kombiniert werden.

Una gama de proyectores de carril en la que dimensiones compactas y formas distintivas se combinan para crear luminarias de gran carácter y elevadísimas prestaciones ópticas.

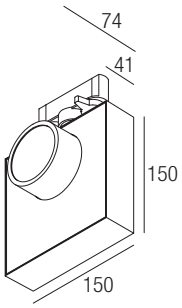

Supply current
230VAC

Power
30-40W

CRI
93
