FLEXA LIGHTING

TERRY

Flush optich downlight

55mm IP44 made in Italy

design Roberto Mantovani

An extremely compact recessed luminaire, designed to deliver high lumen output with a particularly shallow installation depth. Its minimalist design allows for discreet integration into the architecture.

Apparecchio da incasso dalle dimensioni estremamente compatte, progettato per garantire elevati flussi luminosi con una profondità di incasso particolarmente ridotta. Il design minimale ne favorisce l'integrazione discreta nell'architettura.

Un luminaire encastré aux dimensions extrêmement compactes, conçu pour garantir des flux lumineux élevés avec une profondeur d'encastrement particulièrement réduite. Son design minimaliste favorise une intégration discrète dans l'architecture.

Eine äußerst kompakte Einbauleuchte, die hohe Lichtströme bei besonders geringer Einbautiefe gewährleistet. Ihr minimalistisches Design ermöglicht eine dezente Integration in die Architektur.

Una luminaria empotrable de dimensiones extremadamente compactas, diseñada para garantizar elevados flujos luminosos con una profundidad de empotramiento especialmente reducida. Su diseño minimalista favorece una integración discreta en la arquitectura.

Supply current
350mA (V_f 18V)

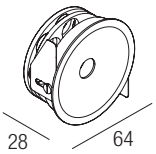

Power
7W

Series wiring
