OPTICAL TABLE
DESIGN MASSIMO TONETTO

VENICEM

DESCRIPTION

Optical Table enhances the combination of primary forms and noble materials with glass trihedrons. The natural or dark burnished brass structure supports the glass trihedron, available in amber, smoke grey or crystal. The light source passes through the glass diffuser, radiating a soft light onto surrounding surfaces. The Optical collection is also available in floor, wall, suspension with one or three elements, and floor/suspension versions.
